HARVARD BUSINESS REVIEW

Managing Yourself

# The New Rules of Executive Presence

by Sylvia Ann Hewlett

gravitas, strong communication skills, and the "right" appearance. But what exactly constitutes EP now? After a decade marked by tumultuous economic, cultural, and technological change (think climate threats; the Covid-19 pandemic; war in Europe and the Middle East; the #MeToo, Black Lives Matter, and LGBTQ+ rights movements; worsening political divides; and the

rise of Zoom, Instagram, and other online platforms), how have expectations about ideal leadership traits changed?
